**Proudly Presents
the**

**CARDINAL
OF
1959**

We, the class of 1959, gratefully dedicate this annual to our parents who have contributed immeasurably to our education. Their influence, their encouragement and their assistance have served as stimuli to the vital work put forth by our teachers.

As we now go forth occupying our positions in humanity, our greatest goal shall be to do justice to our parents for their many efforts and sacrifices on our behalf.

The Class of 1959:

Contained within the covers of the present Cardinal is the pictorial review of the activities of the class of 1959 and the members of the Cissna Park Community High School. Here is the culmination of the work, hopes, ambitions, the cares and worries of a fine class.

Congratulations on having a fine yearbook, which is representative of the work of your class over the past twelve years. It is our sincere wish that the future will bring to you a complete fulfillment of rich rewards - not necessarily in money, but in a full and successful life.

Sincerely,

C. L. Watson

PROPHETIC POETRY

Commentator MUEHLING reports to us,
'59 seniors have moon bound lust,
There's even news that Sleepy-Holler
Received its name from our GLENN BAUER.
ROY CLUVER, directly from Who's Who,
Public Enemy Number Two,
Arrested while he was on the run
By private eye, MISS EISENMAN,
Assisted by MR. LARRY BAUER,
Known as Paladin on TV Hour.
Across the street in a sandwich shop,
Is found MARK CLUVER guzzling pop.
Next the mortician, DON RUDIN, by name
Penniless in space, his business to blame.
CAROLYN HOFER and KAREN, her sis,
Have found cheerleading is nothing to miss.
On the edge of the moon in a night spot named Blue,
Is featured a combo familiar to you,
Led by JOY YERGLER with clari in hand,
Accompanied by DORIS from our High School Band.
Vocalist with combo at times is inert,
You don't have to guess, it's LARRY EMMERT.
GENE BRENNER, fashion designer by trade,
Saved poor NANCY NEWMAN from being an old
maid.
JOANN BAUER, a pert little girl,
Has tired of gum and given Red Man a whirl.
MARY JO BARTH, lanky at sight,
Has joined Tall Club as expected she might.
JON BAUER to all our feminine delight,
Is stranded on Mars since his last flight.
Electrical work on his ship was designed,
By BEN WALDBUSER, whom since we can't find.
Mechanical work on space ship was done,
By ALAN LAUBSCHER, who's now on the run.
JOYCE HODEL is searching up in the stars,
Trying to find a short cut to Mars.
Long been suspected by most of us here,
Chips made from spuds by our BETTY BEER.

Space Suit Modelers are now in demand,
BREN RIECHES is best, we all understand,
The horn shop on Moon has all you can buy,
"HONK" HODEL, the owner, is a real cool guy.
SANDY ROTHERY, she's missionary on South Pole
of Moon,
Is hoping "Prince Charming" will come along soon.
From Boone to Vallee switched JUDY McCRAY,
"A real gone cat" she's known to say.
Selling for Carlings, their beer with Black Label,
A cute little chick whom we know as MABEL.
Harlem Moon Trotters have gone on a spree,
Since they've been joined by KENNETH TESKE.
Hollywood got JOANIE, her contract was "lush."
Good looking men now give her the rush.
GENE LOBER a person best known to all.
Is up on the moon to have a great ball.
Switch blades are made by some of our own,
CARL KOESTER and WENDELL, but they're not alone.
A special note there's waitress for hire
It's none other than JOYCE BREYMEYER.
A speeding car there is none older
For sure its driver, VIRGINIA COULTER.
NELDA seemed lost in her senior year.
Apparently Paul, she couldn't be near.
Novelist writing outer space thriller
Seems to be Miss JANET MILLER.
Cissna Park bus driver named MARY JANE
With the students she sure raises cane.
A shop run by NEVA handles green cheese:
Best on the moon, it's surely to please.
Then there's JUDY WITHERS; a scale she's on,
Standing inside a reducing salon.
DALE EISENMANN, author of chemistry test,
Nobel prize winner, we wonder what next.
Man teacher named ROGER, Mr. WEBER, on Moon
has some students who just can't cut the mustard!
